TEXAS, West

Brewster County

6 N Alpine	10	1840CST 2010CST			0	0			Flood
-------------------	-----------	----------------------------	--	--	----------	----------	--	--	--------------

Widely scattered thunderstorms developed over southern portions of Pecos County, northern portions of Brewster County, and over eastern portions of Presidio County. Thunderstorms remained nearly stationary during the evening of June 10. The radio station in Alpine reported Texas Highway 118 was closed north of the city of Alpine due to flooding.

Presidio County

Brewster County

10 NW Study Butte	17	1800CST 2000CST			0	0			Flood
--------------------------	-----------	----------------------------	--	--	----------	----------	--	--	--------------

Scattered thunderstorms developed over the northern portions of Presidio County, northern Brewster County, and over central portions of Pecos County during the early afternoon of 6/17/00. Strong thunderstorms producing very heavy rainfall moved slowly south across Presidio and Brewster counties during the afternoon. The Presidio County Sheriff's Office reported four feet of water on FM169 at Casa Piedra. Heavy rains also occurred at Cibilo Creek Ranch, just north of the community of Shafter. Officials from the Big Bend National Park reported that roads were closed due to flooding around the community of Castolon. The general public reported that East Corozon Draw, a draw feeding into Terlingua Creek, was running 4 feet deep during the early evening of the 17th. This caused a pickup truck to become stuck in flood waters. The man driving the pickup truck was uninjured during the event. Flood waters receded during the late evening of 6/17/00. Light rain continued across Brewster County overnight.

Thunderstorms on June 17 also produced strong thunderstorm winds. These winds produced minor damage in Presidio County in the city of Presidio and also in the community of Redford. Estimated wind speeds were determined to be just below severe thresholds.

Reeves County

10 E Toyah	18 19	2155CST 0100CST			0	0			Flood
-------------------	------------------	----------------------------	--	--	----------	----------	--	--	--------------

The Reeves County Sheriff's office reported water over Farm to Market Road 869.

Reeves County

Pecos	20	2132CST			0	0			Hail(1.00)
--------------	-----------	----------------	--	--	----------	----------	--	--	-------------------

Reeves County

Pecos	20	2132CST			0	0			Thunderstorm Wind (E52)
--------------	-----------	----------------	--	--	----------	----------	--	--	--------------------------------

Strong to severe thunderstorms developed in Reeves County on the evening of 6/20/00 and then moved into Loving County. While the city of Pecos received the only severe wind gust during the evening, there were several reports of winds in excess of 50 mph, including in the town of Mentone in Loving County and also in Fort Davis in Jeff Davis County.

Crane County

Crane	23	1720CST			0	0	20K		Thunderstorm Wind (E57)
--------------	-----------	----------------	--	--	----------	----------	------------	--	--------------------------------

A severe thunderstorm produced very strong winds and caused damage across the city of Crane. There were numerous reports of roof damage, carport damage, broken windows, and tree damage. An electric meter was knocked off a house and a water line was broken by a falling tree.

Dawson County

6 WSW Lamesa	28	1855CST			0	0	450K	150K	Hail(3.00)
---------------------	-----------	----------------	--	--	----------	----------	-------------	-------------	-------------------

A supercell thunderstorm moved from the northwest portion of Dawson County southeast just west of Lamesa, across the
